

Experiment 1: Datawarehouse and Schemas

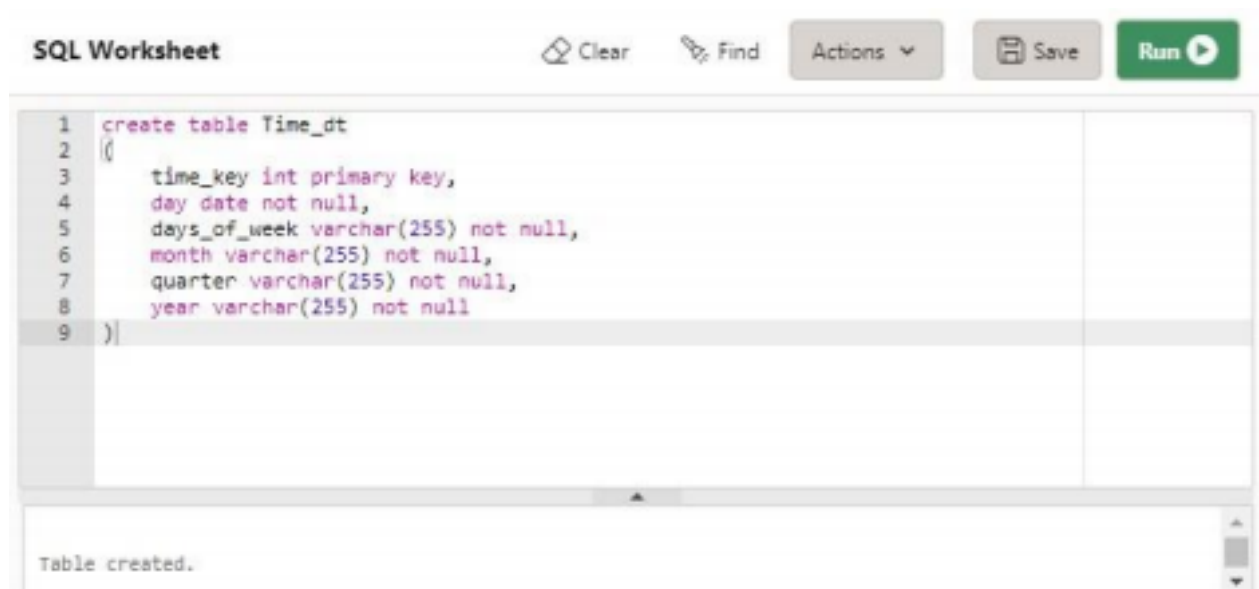

Problem Statement:

Creation of Data Warehouse for a hospital having 3 dimensions.

1) Doctor 2) Patient 3) Time and two measures 1) Charge and 2) Count, where charge is for that a doctor charges a patient for a visit. Draw the Star Schema and Snowflake Schema for the same.

Output:

1. Creating Dimension Tables – Fact, Time, Patient and Doctor

The screenshot shows an SQL Worksheet interface with a toolbar at the top containing 'Clear', 'Find', 'Actions', 'Save', and 'Run' buttons. The main area displays SQL code for creating a table named 'Time_dt'. The code is as follows:

```
1 create table Time_dt
2 (
3     time_key int primary key,
4     day date not null,
5     days_of_week varchar(255) not null,
6     month varchar(255) not null,
7     quarter varchar(255) not null,
8     year varchar(255) not null
9 )
```

At the bottom of the interface, a status message indicates 'Table created.'

SQL Worksheet

Clear

Find

Actions

Save

Run

```
1 create table Fact_table
2 (
3     time_key int references Time_dt(time_key),
4     patient_id int references Patient_dt(patient_id),
5     doctor_id int references Doctor(doctor_id),
6     charge int not null,
7     count int not null
8 )
```

Table created.

2. Inserting Values in Fact, Doctor, Patient and Time dimension tables

SQL Worksheet

Clear

Find

Actions

Save

Run

```
1 insert into Time_dt values (101, DATE '2019-08-04', 'Wednesday', 'August', 'Q3', '2019')
2 insert into Time_dt values (102, DATE '2020-03-20', 'Saturday', 'March', 'Q1', '2020')
3 insert into Time_dt values (103, DATE '2018-06-12', 'Monday', 'June', 'Q2', '2018')
4 insert into Time_dt values (104, DATE '2019-11-28', 'Friday', 'November', 'Q4', '2019')
5 insert into Time_dt values (105, DATE '2020-09-16', 'Thursday', 'September', 'Q3', '2020')
6
7 select * from Time_dt
```

4

TIME_KEY	DAY	DAYS_OF_WEEK	MONTH	QUARTER	YEAR
103	12-JUN-18	Monday	June	Q2	2018
104	28-NOV-19	Friday	November	Q4	2019
101	04-AUG-19	Wednesday	August	Q3	2019
102	20-MAR-20	Saturday	March	Q1	2020
105	16-SEP-20	Thursday	September	Q3	2020
